

# CELEBRATE VICTORY EVEN WHEN IT'S NOT YOUR OWN

**FOCAL PASSAGE:** ROM 12:15a

**BIBLICAL TRUTH:** God wants us to rejoice even when it's not our own victory.

**BUSINESS IMPACT:** Rejoicing and encouraging one another will build the business and will influence others to do the same.

**Romans 12:15a** *Rejoice with those who rejoice.*

It's easy to celebrate our own victories. Sometimes we can celebrate them so much we can become prideful. The challenging thing to do is to learn how to celebrate and rejoice over someone else's victories or accomplishments even when it's close to home.

So you ask why should I rejoice over someone else's Ideas, promotion, accomplishments, sales etc.

- 1.) You could take this time while they are on cloud nine to ask them how they did it and learn from their success.
- 2.) Encouraging them will drive them to want to continue to do good work.

- 3.) Maybe just maybe when you are celebrating a victory they will be they're encouraging you.
- 4.) When one person in the company does well the whole business can prosper and reap the benefits.
- 5.) Setting the example can glorify the Lord.

The opposite of this is backstabbing, moping around and the result will be unproductive work.

**Pray**— that you can have a attitude to encourage one another and rejoice when they are rejoicing
