

## GET THE FACTS

**FOCAL PASSAGE:** 2 Timothy 2:23

**BIBLICAL TRUTH:** God wants us to make wise decisions.

**BUSINESS IMPACT:** To help your business grow on facts not speculation.

**2 Timothy 2:23** *Don't have anything to do with foolish and stupid arguments, because you know they produce quarrels.*

We can look at this scripture in many different ways but I want to focus it on facts and speculation.

In today's business we can hear so many negatives about how business and the economy is so bad that we will start to believe it and won't want to get out of bed in the morning.

Before you start to think like that you need to get all the facts about your business, before you make a decision based on the opinion and arguments of someone else.

I remember the story of the 12 spies that went over into the Promised Land and 10 came back and said it could not be taken but 2 of them said to trust the Lord and He would give them the

land. Well you know the story they wandered in the desert for the next forty years.

There is always a business out there you just need to trust in the Lord and to start looking for it.

Remember a wise manager will gather all the facts before making a business decision.

Prov. 15:7 The lips of the wise spread knowledge, not so the hearts of fools.

**Pray-** God will give you the wisdom to separate the facts from the speculation so you can make wise business decisions.
