

## HIRE F.A.T. PEOPLE

**FOCAL PASSAGE:** 2 Timothy 2:2

**BIBLICAL TRUTH:** God wants us to entrust others who are qualified to pass on our teachings.

**BUSINESS IMPACT:** When hiring the right people you can grow your business and direct your time and attention elsewhere.

**2 Timothy 2:2** *And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others.*

When it comes to hiring people, finding the right person can be a difficult job.

So what do you do?

Look for F.A.T. people.

First of all you need to look for someone who is faithful because a faithful person won't let you down.

Second, the person should be available when you need them and have a willing heart to please.

Third, the person should be teachable this could be a great asset to you and the business, because if they are teachable they will more than likely be able to teach others.

All three of these work hand in hand. Don't compromise if you can't find a person to fill all three qualifications the Lord will provide in His time

**Pray**—That when it comes to hiring someone, God will give you the discernment to find that person that is faithful, available and teachable.
