

DON'T NEGLECT PUBLIC SPEAKING

FOCAL PASSAGE: Mark 6:6

BIBLICAL TRUTH: God wants us to proclaim what He has done for us.

BUSINESS IMPACT: You can promote your business and Gods' blessings by taking the opportunity to speak in meetings and other public settings.

Mark 6:6 *Then Jesus went around teaching from village to village.*

Jesus was probably one of the world's best public speakers we can learn so much from His example.

He took the opportunity to speak to the people whenever He could why? One reason was He knew He only had a short time to get His message out there and the 2nd reason was it was one of the only ways to promote anything that day and age.

Well it's not much different in this day and age time is short and it

is still one of the best ways to promote your business and praise God.

I know some of you are saying you're too shy or that's just not you. Well, guess what? Moses said the same thing when he was asked to go and speak to the Pharaoh and the Lord helped him. Just remember the Lord will equip you, all you have to do is ask.

So I challenge you to look for the opportunity to promote your business by offering to speak at a meeting or some other event.

“If all my possessions were taken away from me with one exception, I would choose the power of speech. For by it, I would regain all the rest of my possessions.” —Daniel Webster—

Pray—That God will give you the boldness to stand up in public and promote Him and your business, you will be blessed for doing so.
