

PAY YOUR BILLS ON TIME!

FOCAL PASSAGE: Prov. 3:27-28

BIBLICAL TRUTH: God wants us to give to those who are due in a timely manor.

BUSINESS IMPACT: When we pay are bills on time we set the example of love and obedience and people will want to do business in the future.

Proverbs 3:27-28 *Do not withhold good from those who deserve it, when it is in your power to act. 28. Do not say to your neighbor, “come back later; I’ll give it tomorrow”- when you now have it with you.*

As a company that represents God we should be the first in line to pay what is due.

But so many times we are tempted to repay evil with evil. I heard about the guy who lost a bet on a ball game so when it was time to pay up he paid in pennies.

The Lord tells us to go that extra mile, turn the other cheek and to render to Caesar what is Caesars’.

But when times get tough and money is hard to come by it's easy to hold back and pay later or when a deal doesn't go down exactly like we want it to we may be tempted to hold off on paying what we should.

But when times are tough it's all the more reason to be first in paying what is due so God can get the glory and your business will shine.

Pray—that you will be obedient to the Lord and pay what is owed and due in a timely manner and God will bless your business.
