

ARE YOU A SHOWBOAT OR A TUGBOAT?

FOCAL PASSAGE: Amos 3:4

BIBLICAL TRUTH: God wants people who work to reach their goals not brag or boast.

BUSINESS IMPACT: Your work and your reputation will speak for it's self that's how you will attain credibility.

Amos 3:4 *Does a lion roar in the thicket when he has no prey?
Does he growl in his den when he has caught nothing?*

Nobody likes a showboat or a braggart, but every business seems to have one. Always talking about the big deal that is getting ready to happen or the account they almost had or a promise that can't fulfill. Sooner than later those people lose their credibility. And people will take their business elsewhere.

The tugboat on the other hand is the boat that you can depend on, not a lot of talk or bragging just goes about the work and gets it done.

That's the kind of reputation and credibility that you want from a company. Then you can roar and growl like the lion!

In all human affairs there are efforts, and there are results, and the strength of the effort is the measure of the result. —James Lane Allen—

Pray—That you will be a tugboat not a showboat and you will deliver what you promise when you promise it.
