

UNEQUAL PARTNERSHIP

FOCAL PASSAGE: 2 Cor. 6:14-15

BIBLICAL TRUTH: God does not want us to be unequally yoked with non believers

LIFE IMPACT: to help us realize that a partnership with an unbeliever will more than likely cause problems in the business.

2 Cor. 6:14 *Do not be unequally yoked together with unbelievers. For what do righteousness and wickedness have in common? Or what fellowship can light have with darkness?*

When you think of two horses or two oxen yoked together and they are unequal in strength they will more than likely pull to the right or left or go in circles.

In the same way if you have a business partnership with one who is not a believer then morally and spiritually you will not have the same goals and will either pull to the right or left or will end up going in circles. And you can bet there will be discord down the road.

I know what some of you might be thinking, I will partner with this person and use this to lead him or her to Christ. More times than not the non-believer will pull down the believer.

You know it's like standing in a chair is it easier to pull somebody up or be pulled down? I think we all know the answer to that question.

No matter how appealing the partnership may be forego the temptation. Either lead that person to Christ first then once he becomes a believer join him in partnership or forget the partnership.

PRAY— that God will lead us to the right people to partner with and give us the strength to avoid situations to team up with a non-believer in business

partnerships.
