

WHEN IS ENOUGH, ENOUGH?

FOCAL PASSAGE: Luke 12:13-21

BIBLICAL TRUTH: God wants us to prosper but He doesn't want us to fall into the sin of greed.

BUSINESS IMPACT: We need to be careful that we don't try to take on more than we can handle or get to a point where the business is so money driven that you lose the quality of your product.

Read Luke 12:13-21

A man's life does not consist in the abundance of material things or his possessions!

Oh what a statement, we can get so caught up in the world that we forget it's not a race to have the most possessions.

When you read the story about the rich fool you may be tempted to think they could be talking about anybody but you. But if we are truly honest with ourselves, we all live in abundance in God's eyes.

Notice how many times the rich young fool uses the word I or my. The rich fool had so much he was going to tear down, destroy his barns and build bigger ones. When people get greedy they don't think straight anymore it's all about self.

When is enough, enough? When you get to a point where you can't turn down any business even when you know that you can't produce the quality

product your known for than enough is enough, when you get to a point where you can't make your deadlines or your promises day after day than enough is enough. When you see your employees more than your family, well you get the picture.

Seek to get to a point where you can be satisfied to make the best product you can produce at all times remember who your real boss is the Lord Jesus and do what is pleasing to Him.

Your business will do much better if you focus more on quality than quantity, don't fall into the temptation of greed. It's ok to say "no I can't handle anymore."

I have held many things in my hands, and have lost them all, but whatever I have placed in God's hands, that I still possess.—Corrie ten Boom—

I looked in my book of famous quotes and found nothing on greed I guess nobody thinks they have a problem with it.—Andy Coon—

Pray-- that God will open your eyes and mouth to say and know when enough is enough.
