

WORRY NOT!

FOCAL PASSAGE: Matthew 6:34

BIBLICAL TRUTH: God does not want us to worry about the things we cannot control but to trust in Him.

BUSINESS IMPACT: When we give our worries to the Lord we will set the example and encourage others.

Matthew 6:34 *Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.*

This is one of those scriptures easier read then to put into practice.

But in life and business there comes a time when our backs are up against the wall, business slow, thinking about laying off employees, can't hardly pay the bills etc.

First of all you need to pray about whatever the situation is. If it is something that you can control, then do just that take control.

But if it's something that you have no control over you have two choices, worry about it or give it to the Lord. I know which one you will get more sleep from.

Second you need to reflect on the times the Lord has delivered you or your business in the past and let that be the anchor that holds.

If your employees see their leader worrying you can bet they are going to worry also.

Just remember your situation is not your destination it's just preparation!

Worry is the down payment on ninety percent of the trouble you won't have.
—John Benton—

Every evening, I turn worries over to God. He's going to be up all night anyway. —Mary C Crowley—

Cross your bridges before you come to them and you have to pay the toll twice. —Franklin P Jones—

Pray—That when worry comes you will give it to the Lord and trust Him to take care of it.
